## INCLEMENT WEATHER ❄️

**Cancellations will be communicated via e-mail to impacted classes and will be posted promptly on our social media channels.** We build in a week of missed classes into the school year. Should additional cancellations occur, we will schedule a suitable make-up.

- **The DIDA Step Resource ([www.vimeo.com/showcases/districtirishdance](http://www.vimeo.com/showcases/districtirishdance))** - a password-secured resource provided as a privilege to our enrolled students to assist with at-home practice. There will be videos of District steps for certain foundational dances (basic reels, light jigs, etc), traditional (fast speed) hard shoe dances, as well as a selection of the "District Version" of set dances. Due to the dynamic nature of choreography, dances taught in Intermediate & up are not published. This does not substitute for in-studio instruction and all of our steps / teaching resources are property of DIDA. Do not share any content without permission. Accessible via the Client Portal.
- **Videos in Classes** - As a best practice, dancers should not rely on videos for learning material. In certain settings when an instructor has indicated it is appropriate to do so, capturing a video of a specific step or combination will be permitted.
- **Phone Use at the Studio** - At DIDA, we aim to be your escape from the outside world. **Phones must be silenced and stored in the lobby during class time. Youth dancers are not permitted to wear smart watches with messaging capabilities during class time. Should you need to contact us or your dancer due to an urgent matter please text or call our studio line: 202-525-6091.**

## ACADEMY ATTIRE / UNIFORM

  - **Proper shoe wear is required at all times inside the DIDA studio!**
  - Dance bags brought to our studio should contain dance essentials only. No toys or distracting items.
- **Adhering to a uniform helps promote class cohesion, minimizes student distraction and assists teachers in effectively identifying and correcting technique.**
- Dancers who are not in uniform and / or proper shoe wear may not be permitted to participate in class.
- Dancers in District Adult classes are encouraged but not required to follow our uniform.

## **GENERAL STUDIO / CLASS RULES - IMPORTANT!**

- **Kindness and respect are mandatory at all times at DIDA, and we have zero tolerance for bullying, gossip, negative attitudes or disrespectful language. Any concerns should be addressed directly with DIDA Leadership or the Studio Owner through appropriate communication channels. Discussing these matters with other dancers or dance families in a negative or disruptive manner could result in dismissal from DIDA.**
- **Please be on time! Students must be ready to dance with their shoes on prior to the start of class.** Tardiness is unsafe and disrespectful. We are strict about our schedule: classes will start and end on time.
- Make sure your dance shoes do not have any tape or residue on them. Dancers who scuff our floor will be charged a cleaning fee.

- Absolutely no oils, lotions or other products should be used prior to entering our studio since they can damage the Marley floor surface and make it unsafe to dance on. **No glitter or feathers!**
- **No street shoes allowed on floor surface in studio.**
- **No food or drink (except for water).**
- Alcohol consumption is not permitted at the DIDA studio or at any school-sponsored events.
- Gum chewing is not allowed anywhere in our facility.
- No sitting during class time, unless permitted by a teacher.
- **No running EVER on studio premises!**
- Studio Safety Policies related to COVID-19 or future pandemic circumstances will be adapted in accordance with DC Public School System mandates, CDC guidelines and local ordinances.
- DIDA cannot be held liable for any lost or stolen items.
- **Upon registering on ClassBug for all DIDA classes & programs, participants (or over 18+ guardian) agree to all membership terms & conditions, including a liability waiver and terms that permit us to photograph, video and share relevant class content of participants on our social media platforms and for marketing purposes.**

#### **DANCER SAFETY & PICK-UP PROCEDURES**

- The safety and wellbeing of our students is always our top priority. In keeping with CLRG requirements, all of our teaching team members are thoroughly vetted, background-checked and comprehensively trained through SafeSport ([www.safesport.org](http://www.safesport.org)), and we follow all of their outlined standards and procedures.
- **All students (under 18 years of age) must be picked up promptly on time by a parent or guardian.** A parent (or guardian) must be physically at the interior studio door to pick up their child. We cannot provide supervision after class finishes. Parents who are late for pick up are subject to a supervision late fee (at the hourly cost of a private lesson) starting at 15 minutes past the scheduled class end time.

#### **PARENT OBSERVATION**

- **In order to promote independence and confidence in all of our dancers, we do not permit parent observation in any of our classes.**
- We hold a designated **"Back to Studio + Community Appreciation" Week** in the Fall during which we will invite all parents to watch class (be ready, you may be asked to jump up and dance!).
- **Our lobby operates on a drop-off / pick-up basis and is reserved as a "dancer only space" during class time.** We encourage parents to explore all that our wonderful neighborhood has to offer. Those who choose to remain in our designated waiting area during class time must abide by the District Irish Dance Code of Conduct at all times.

#### **CHOREOGRAPHY & LEVEL PLACEMENT**

- The DIDA teaching team spends a considerable amount of time developing choreography and planning classes. **District TCRGs have final say about all choreography, including which material will be taught / competed / performed. Choreography decisions are not up for discussion.**
- We carefully evaluate each dancers' progress continually throughout the year and make class placement decisions on an individualized basis in order to best promote each dancers' growth.
- **All dancers / families must respect these carefully made decisions related to material and class placement. Questioning decisions of the teaching team is disrespectful and non-productive.**

#### **DIDA COMPETITION GUIDE**

For dancers who wish to compete, refer to the DIDA Competition Guide in the Client Portal for all competition related information.

## SPORTSMANSHIP

- The focus of Irish Dance should **always** be on having fun, growing as a dancer and enjoying the journey. No matter what happens we expect everyone who is part of our community to demonstrate exceptional sportsmanship, respect and camaraderie at all times towards all teachers, other DIDA dancers and those from other schools. This includes an expectation that DIDA dancers / community members will remove themselves from any situation in which negative discussions or gossip occur.
- **The District Irish Dance Code of Conduct must be followed by all members of the District Irish Dance community (this includes parents and all family members) AT ALL TIMES.**
- **AN IMPORTANT NOTE ABOUT OUR APPROACH TO COMPETITION:** Competition scores and results are a subjective opinion of a select group of people on one day. Growth should not be entirely gauged by scores or achievements at competitions. It is important to keep competitive experiences in perspective and, most importantly, be proud of the growth and development that takes place internally, every time shoes are tied. We encourage a non-competitive studio environment between dancers, teammates, and parents.
- With regards to results and other competitive matters, dancers or parents should never attempt to independently contact any Irish dance governing body or Feis / competition committee (CLRG, IDTANA or the Southern Region). Any concerns must be communicated to the the DIDA leadership team. Only TCRGs are authorized to file an official complaint.
- **Every student is a gift to us — each is uniquely different and we celebrate that!**

### Youth Class Behavior & Three-Strike Policy

Our youth classes are designed to be positive, respectful, and supportive environments where every dancer can learn and grow. We expect all dancers to demonstrate respect toward instructors, staff, fellow dancers, and the studio at all times.

To help maintain a safe and productive studio environment, we utilize a **Three-Strike System** for behavior concerns. After three instances of a teacher needing to redirect a student during a given class time frame due to behavior that does not meet studio expectations, a dancer will receive a write-up. Our goal is to address concerns early and provide dancers with the opportunity to make positive choices and improve their behavior.

If a behavior concern requires **parent/guardian assistance**, the parent/guardian will be notified via email. Repeated write-ups or ongoing behavior concerns may result in **removal from class without waiver or refund of tuition**.

### **CLRG Grade Exams**

- Grade Exams are offered throughout the year, typically coinciding with Feisanna. Grade Exams are unlike competitions since candidates are not ranked. Rather, each dancer is individually assessed and receives detailed feedback of their performance and knowledge of the grade being attempted. There are 12 total Grade

Examinations, each with specific material required, and which must be completed in order to be eligible to eventually apply for the rigorous TCRG Irish Dance Teacher Examination.

- **Grade Exams are not a requirement, but they are a great opportunity for dancers to follow a structured framework that assess their knowledge and competency of Irish dance.**
- Any dancers who wish to take the grade exam should contact Kendal, ([kendal@districtirishdance.com](mailto:kendal@districtirishdance.com)) prior to registering. Any DIDA dancers who choose to take grade exams are expected to communicate with their teachers to ensure they are prepared to do their best.
- You can check out the official Syllabus for grade exams at [www.southernregionirishdance.com/grade-exams](http://www.southernregionirishdance.com/grade-exams) for more information / requirements.
- We love celebrating milestones at DIDA! Dancers who successfully complete a grade are invited to sign the **Grade Exam Wall** in our lobby.

**2026-27 Registration Fee:** \$65 - Annual per-student admin. fee with initial payment for all full-year programs.

**Special Rates:**

- **Tiered family member / sibling (same household):** 1st student = regular price, 2nd student = 10% off, 3rd student = 15% off, 4th & additional students = 20% off. The highest priced class is discounted first.
  - *Our system does not always automatically honor this discount, so it is the responsibility of each family to get in touch if you need assistance.*
- **Multi-class:** class bundling is offered through **Flex Pass** and **Studio Pass**, which deliver substantial value for dancers taking multiple classes per week plus additional perks.
- **Full year one time payment:** Clients may pay tuition one time for the full dance year at a **5% discount**. *For one time payments please contact us.*
- **Exclusions:** special rates do not apply to certain class such as Performance Classes (which are already discounted add-ons), Studio Pass, Flex Pass, workshops, special events or short sessions.

**By enrolling at DIDA, clients understand and accept the following policies:**

**Tuition Payment Plan:** For all core classes, performance classes, Flex Pass, and Studio Pass, annual tuition is broken down into a 10-month payment plan, with payments processed via auto-pay on the 1st of each month, Sept-June. Monthly tuition installments are not adjusted based on number of classes in a given month. We do not pro-rate tuition or permit payment freezes for any length of time.

**Refunds / Withdrawals:** All purchases are final and we do not issue refunds, credits, transfers or exchanges. **As a courtesy, for all core classes, performance classes, Flex Pass, and Studio Pass, we offer a permitted withdrawal timeframe: dancers have 30 days from the first class they attend in which they may withdraw. After that, clients are bound by tuition obligation for the remainder of the dance year (final balance assessed on June 1st).**

**Billing:** We process payments securely through ClassBug, our convenient registration system. All major credit cards are accepted and a valid payment method must be kept on file at all times. An e-mail receipt is issued for all payments and records can be found on each client's ClassBug profile.

**Late Fees / Bounced Payments:** **Should we be unable to charge your account for a scheduled tuition payment by the 5th of the month, or in the case of a bounced transaction, a \$50 fee will be added automatically to your account.**

**Injuries:** The athletic nature of Irish dance means that injuries can happen. All participants acknowledge this inherent risk and release District Irish Dance LLC, and all of its instructors, ownership and affiliates of any and all liability. If a dancer is injured and unable to dance for up to one month, our policy is to have them continue to

attend class, observe, take notes and participate as deemed safe by their doctor. If a dancer has an extended injury with a prognosis of longer than one month, they should contact us to discuss their specific circumstance.

## **MAKE-UP CLASS POLICY**

**Missed Classes / Make-Ups:** As a courtesy, we permit full year enrolled dancers to make up a missed class by attending a regularly scheduled Open Studio session, provided they follow our policy for missed classes. You can submit for a make-up credit in the Client Portal.

Direct link to form: <https://forms.gle/vnpbpz4dKN7hBRwB8>

1. Complete the form (link above) at least **4 hours prior** to an absence in order to be eligible for a make-up class.
2. A coupon code will be included on the form confirmation page.
3. Check our studio class schedule and select an eligible drop-in class. **Make up credits expire at the end of the academy year (June 22, 2026).**
4. Use the coupon code to redeem your make-up credit upon checkout on ClassBug. The code can be utilized for signing up for a regularly scheduled Open Studio session (Wednesday 6:30pm or Saturday 11:30am).

- **EXCLUSIONS:** Make ups are not available for any short sessions, special workshops / classes, or weekly performance classes. Students are limited to **ONE** make up per monthly billing cycle (a max. of 10 per academy year, Sept-June). We are unable to pro-rate or refund tuition for missed classes. Due to capacity, dancers may only make up classes at the options listed above.
- **There is no need for Studio Pass Members to fill out a request form since they already have full access to Open Studio.**

## **ADDITIONAL CLASS POLICIES**

**Year-Round Enrollment:** Capacity permitting and with instructor approval, students may enroll year-round in most classes (subject to all standard enrollment terms). In the event that a dancer wishes to sign up later in the year, the best time to do so is at the start of the month since we are unable to pro-rate tuition, nor are we able to hold your space / postpone payment to a later date.

**Low Enrollment Policy:** A class needs at least 3 students to run, otherwise it will be considered a private lesson and, at DIDA's discretion, will either be cancelled or held for a reduced amount of time.

**Wait List:** Full classes will automatically move to a wait list, in which students may sign up (no payment required). Should a spot become available, we will contact you and give you a 24-hour time frame to decide if you would like to enroll, after which the spot will be offered to the next student on the waitlist.

**College Students (from outside DIDA) Attending Classes:** We welcome college students to participate in DIDA classes and train with us while they are in school (per CLRG rules). Due to the popularity of and limited space in our Champ program, students in college are expected to commit to the full academy year, and are obligated to our standard academy policies regarding tuition installments / withdrawal rules. As a courtesy, for undergraduate college students ONLY who plan to return home for their breaks we offer a one-month tuition installment abatement. This must be approved by DIDA admin at the time of registration.

*Participating in a DIDA class / program constitutes an agreement with all stated fees, schedules and policies, which are subject to change at any time without notice.*

## **10). CODE OF CONDUCT**

- 1) RESPECT** - Give your teachers and fellow students the respect & space they need to succeed. Acknowledge that everyone is progressing on their own individual path.
- 2) SUPPORT** - Every word spoken should be supportive and positive. Be patient and kind towards others in class.

**We promote and require kindness, respect and positivity at our studio AT ALL TIMES. We have no tolerance for bullying, gossip, negative attitudes or disrespectful language. We strive to be a supportive, safe place for all dancers to go on their dance journey at their own pace. Any discussions of concerns involving your dancer, yourself (or other dancers) to other dancers / dance parents rather than DIDA Leadership is considered gossip and grounds for dismissal.**

**Thank you, DIDA dancers & families — we are so excited for classes, performances, feisanna and more this year! #dancethedistrict**
